

# ASHFAQ AHMED

Software Quality Assurance Engineer

## ABOUT

I am a SQA Engineer with a passion for software quality assurance and testing. I am an excellent communicator and brings a strong technical aptitude to the team. I have a good knowledge in testing development and release processes, developing test plans and executing test cases. I am ready to utilize my skills and passion for furthering a company's mission. I am bringing forth a positive attitude, willingness, and motivation to learn new programs and accept new challenges. I am looking for an opportunity to prove myself.
